ANNOUNCEMENT KEY OPERATING DATA FOR THE THREE MONTHS ENDED 31 MARCH 2022

This announcement is made by Sinofert Holdings Limited (the “**Company**”) on a voluntary basis.

To enable shareholders, investors and the public to better assess the operating performance of the Company and its subsidiaries (the “**Group**”), the board of directors of the Company (the “**Board**”) hereby announces certain unaudited key operating data of the Group for the three months ended 31 March 2022 as follows:

- (i) the sales volume was approximately 2.32 million tons, a decrease of 30% as compared with that for the three months ended 31 March 2021, which is mainly due to the Group's continuous efforts to promote product restructuring and the implementation of differentiation strategy, reducing 720,000 tons of low-margin products. The sales volume of special fertilizers and various differentiated products was approximately 480,000 tons, an increase of 23% from the corresponding period in 2021;
- (ii) the turnover was approximately RMB6,834 million, an increase of 12% as compared with that for the three months ended 31 March 2021, which is mainly attributable to the increase in average selling price.

The information contained in this announcement is only a preliminary assessment made by the Board based on the consolidated management accounts of the Group and the information currently available to the Board. Such consolidated management accounts have not been reviewed or audited by the Company's auditors and may be subject to adjustment and final confirmation. Therefore, the above data are provided for investors' reference only. Investors are advised to exercise caution when dealing in the securities of the Company and avoid undue reliance on such information.
